COURSE SELECTION - INSTRUCTIONAL PROGRAM:

Check the class(es) for which the member wishes to register. *If unsure of appropriate class or have questions please consult Sailing Director Katie Wuori (207) 691-0197.* Advancement from one class to the next depends upon the recommendation of the instructor(s). Classes may be repeated as desired or necessary. Recreational Sailing is encouraged after appropriate certification has been achieved or instructor approval.

() CREW – AM: Introduction to Basic Boating Skills Monday through Friday 10:30 - 12:30

For novices or those who need to brush up on the essentials. Learn parts of the boat, the mechanics of rigging, how to trim sails and steer the boat, docking techniques, rules of the road, and safety on the water. At week's end, students should feel comfortable in a boat and be able to assist a qualified skipper in properly handling a boat.

() SKIPPER I: Intermediate Sailing Monday through Friday 10:30 - 12:30

For those who have passed the Crew test or who can demonstrate that experience and knowledge qualify them to participate, students will improve skills learned in Crew class. Effective sail trim, sailing a variety of set courses, maneuvering in close quarters, and properly leaving and returning to a mooring or dock will be emphasized.

() SKIPPER II: Beyond Intermediate Sailing Monday through Friday 1:30 - 3:30

Learn to sail a boat in a broad range of conditions. At course conclusion, students should be able to handle a Mercury without an instructor on board and will be certified to sign a boat out for recreational sailing. When appropriate, students may learn to fly a Mercury spinnaker. Depending on individual progress, some students will earn a "Solo" rating, permitting them to sail a Mercury singlehanded. As appropriate, the elements of informal Mercury racing may be introduced as well as basic navigation skills.

() START YOUR DINGHIES Monday through Friday 10:30 - 12:30

An introduction to sailing Lasers and 420s, light and fast dinghies capable of planing and requiring different rigging and boat-handling techniques. Lasers normally are sailed by one person, and 420s are sailed by two people. Both types of boats capsize frequently, but are self-rescuing. Aspiring dinghy sailors should be prepared to get wet often and may wish to purchase wetsuits. Ordinarily limited to those at least 12+ years old who have passed Skipper II or have equal accreditation from another sailing program.

() DINGHY SAILING II Monday through Friday 1:30 - 3:30

Those who have completed "Start Your Dinghies" upon recommendation of the instructor will work on developing more advanced skills in Lasers and 420s: roll tacks and jibes, planing techniques, how to use both spinnaker and trapeze. Racing techniques are often taught and practiced.

() RECREATIONAL SAILING / REFRESHER Call in advance to arrange a time

For members new and old who know how to sail and would like to use a BTB boat. Recreational sailing happens during the hours BTB is open. Call to arrange a time to come out to the float, go over rules, expectations and the idiosyncrasy the boats and the program holds, go through a competency check with an instructor including rigging and unrigging the boat of your choice and capsizing and righting the dinghies. Once you are checked out, the boats are yours to use. Safety is number one at BTB. Classes have priority for boat use. Call 207-691-0197 to schedule time(s).

() ADULT MIX AND MINGLE Monday through Friday 1:30 - 3:30 (Weeks 2, 4, and 6)

Although intended for adults who have already passed Skipper II, BTB alumni may bring new recruits to this class. Mercuries normally are used, but the more adventurous may opt for Lasers or 420s. A class tailored to your skill base and a chance to meet other adults who share the love of sailing.

() ADULT RACING/Recreational Sail Tuesday evenings 4:00 - 6:00 (call by 12:00 Tuesday to reserve)

Are you over 16, know how to sail, and would just like a little fun competition? Come join us for some laughs and light hearted competition Tuesday evenings. Every week the instructors will have a racing chalk talk topic go over procedures and rules, course settings and starts. Then we will run a series of races with a debrief afterwards. If racing is not your thing, but you work during other BTB hours, come out and sail around. Must go through a competency check with an instructor prior to racing (see recreational/refresher above). Call (207) 691-0197 before noon on Tuesdays to save your spot.

Please check the week(s) sailor wishes to register for.
